

UTILITY CLASSES RAL, pr En 13329

For a better estimate of quality and fields of use of laminated flooring the members of the EPLF (association of the European manufacturers of laminated flooring) use pictograms for the recommended utility classes.

These pictograms allow the salesman and the end-user an easy classification of the products.

Classification and level of use

	Level of use					
	Domestic			Commercial		
	Moderated	General	High	Moderated	General	High
Classify	21	22	23	31	32	33
Résistance à l'abrasion	AC 1	AC 2	AC 3		AC 4	AC 5
Example	bedroom	living room, private home office	corridor	office	Conference room	store
Luxfloor			all the range Luxfloor		Lx 8.5 Lx 8.5 Relief Lx 8.5 Carré Lx 8.0 Tradition
